What is The Learning Center?

For over 65 years, Broadmoor Baptist Weekday Preschool has served the families of our community in Shreveport-Bossier, offering quality preschool education with emphasis on God's love. After much prayer and planning, we expanded our program in the Fall of 2021 to include babies through 2s along with our 3s, 4s, and 5s under one umbrella of learning: The Learning Center at Broadmoor.

The Learning Center at Broadmoor offers a seamless transition through a unified curriculum that builds year to year to ensure that our children are well-equipped for kindergarten and beyond. Childhood is a brief window in time, and preschool should be that special place where children are nurtured and loved, as well as educated.

Mission: The Learning Center at Broadmoor is here to help your child grow emotionally, intellectually, physically, socially, and spiritually, in a safe, warm, and caring environment. We believe each child is unique, and we strive to protect and preserve this uniqueness.

Program: Our children explore, experiment, and discover the world through organized activities, a focused curriculum, and adventurous play time in a Christian environment. Children from 6 months old through PreK 5 learn in community with others from a foundational curriculum that focuses on pre-reading skills, basic math concepts, science and nature studies, music, art, culture, and an awareness of the world around them. At The Learning Center at Broadmoor, we take every opportunity to expand the horizons of our children, preparing them for future success.
